Certified Public Accountants

May 27, 2022

To the Commissioners,
Comal County Emergency Services District No. 6

We have audited the financial statements of the Comal County Emergency Services District No. 6 as of and for the year ended December 31, 2021, and have issued our report thereon dated May 27, 2022. Professional standards require that we advise you of the following matters related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated January 10, 2022, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Comal County Emergency Services District No. 6 solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team and our firm have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Comal County Emergency Services District No. 6 is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive estimates affecting the financial statements are management's estimate of useful lives of depreciable assets and allowance for uncollectible ad valorem taxes. Management's estimate of useful lives of depreciable assets is based on the type of asset and previous history. The allowance for uncollectible ad valorem taxes is based on the collection history of the District. We evaluated the key factors and assumptions used to develop these estimates and determined that they are reasonable in relation to the financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. There are no sensitive disclosure affecting the Comal County Emergency Services District No. 6's financial statements.

Significant Difficulties Encountered during the Audit

We encountered no difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Management has corrected all identified misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. We proposed adjustments to assist management in year-end property tax and accounts payable accruals and reconciliations to prior audit balances. These adjustments were expected and not considered to be indicative of deficiencies in internal control.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Comal County Emergency Services District No. 6' financial statements or the auditor's report. No such disagreements arose during the course of our audit.

Representations requested from Management

We have requested certain written representations from management, which are included in the management representation letter dated May 27, 2022.

Management Consultation with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Comal County Emergency Services District No. 6, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating and regulatory conditions affecting the District, and operational plans and strategies that may affect the risk of material misstatement. None of the matters discussed resulted in a condition to our retention as the Comal County Emergency Services District No. 6' auditors.

Other Information in Documents Containing Audited Financial Statements

Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Comal County Emergency Services District No. 6' audited financial statements does not extend beyond the financial information identified in the report, and we are not required to perform any procedures to corroborate such other information. However, in accordance with such standards we have, with respect to the supplementary information accompanying the financial statements, made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Our responsibility also includes communicating to you any information we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Compliance with Public Funds Investment Act

The Public Funds Investment Act, (the “Act”) requires that we include, as part of our audit, procedures to determine if the Comal County Emergency Services District No. 6 complied with the provisions of the Act. We found, as a result of our audit that with respect to the Comal County Emergency Services District No. 6, that the District had complied, in all material respects, with the provisions of the Act.

This report is intended solely for the information and use of the Board of Commissioners of the Comal County Emergency Services District No. 6 and is not intended to be and should not be used by anyone other than these specified parties.
